Eldora Mountain Resort Ski Area Projects  
Final Environmental Impact Statement and Draft Record of Decision

The Arapaho and Roosevelt National Forests and Pawnee National Grassland, is proposing to make a decision on the Roosevelt National Forest, Boulder and Gilpin Counties, Colorado. The Forest Service has prepared a Final Environmental Impact Statement and Draft Record of Decision for the Eldora Mountain Resort Ski Area Projects and is providing opportunity for objection. To obtain a copy of these documents contact K. "Reid" Armstrong at 303-541-2532 or [krarmstrong@fs.fed.us](mailto:krarmstrong@fs.fed.us). Electronic copies are available at [www.fs.usda.gov/goto/arp/eldora](http://www.fs.usda.gov/goto/arp/eldora) or <http://www.EldoraEIS.com>

Forest Supervisor, Glenn P. Casamassa, is the Responsible Official for this project. The Objections Reviewing Officer is Regional Forester, Dan Jirón. This Draft Record of Decision is subject to two separate Forest Service objection processes pursuant to 36 Code of Federal Regulations (CFR) 218 and 36 CFR 219. Those wishing to object must follow the objection requirements and timing requirements, which may result in filing two separate objections to meet the timing requirements below. Objectors may file one objection letter if it meets the timing requirement for 36 CFR 218 and 36 CFR 219. Only those who commented on the Draft EIS have standing to object. Objections must be in writing and filed with the Objections Processing Officer, USDA Forest Service, Rocky Mountain Regional Office, 740 Simms Street, Golden, CO 80401; email to [r02admin\\_review@fs.fed.us](mailto:r02admin_review@fs.fed.us); fax to 303-275-5075; or by hand-delivery (Monday through Friday, 8:00a.m. to 4:30p.m., excluding holidays) at USDA Forest Service, 740 Simms Street, Golden, CO 80401. E-mail, fax, or hand delivery objections must be filed and agency stamped within the objection filing period starting the day after the publication date of this legal notice in the Fort Collins Coloradoan. For objections filed under 36 CFR 218, U.S. Postal mail must be postmarked no later than the 45th day starting the day after the publication date of the legal notice. For a private delivery service, the shipping date must be no later than the 45th day after the publication date of the legal notice. The opportunity to object ends at midnight on the 45th day after publication in the newspaper. For objections filed under 36 CFR 219, U.S. Postal mail must be postmarked no later than the 60th day starting the day after the publication date of the legal notice. For a private delivery service, the shipping date must be no later than the 60th day after the publication date of the legal notice. The opportunity to object ends at midnight on the 60th day after publication in the newspaper. If either of the filing time periods expires on a Saturday, Sunday or Federal holiday, then the time is extended to the end of the next Federal working day. Objectors should not rely on timeframe information provided by any other source.

Objections must be based on the substantive comments submitted during that comment period. It is the objector's responsibility to provide sufficient narrative description of those aspects of the project addressed by the objection, specific issues related to the project, and suggested remedies which would resolve the objection. As part of the objection, incorporation of documents by reference is not allowed except as provided at 36 CFR 218.8(b) and 36 CFR 219.54(b).

For the project-level actions, at a minimum (as required at 36 CFR 218.8(d)), the objection must include the following: (1) objector's name and address (please include telephone number if available); (2) signature or other verification of authorship upon request (a scanned signature for electronic mail may be filed with the objection); (3) identification of the lead objector and verification of the identity of the lead objector upon request when multiple names are listed on the objection; (4) the name of the project (Eldora Mountain Resort Ski Area Projects EIS), the name and title of the Responsible Official (Glenn P. Casamassa, Forest Supervisor), and the Forest (Arapaho and Roosevelt National Forests and Pawnee National Grassland); (5) a description of those aspects of the proposed project addressed by the objection; and (6) a statement that demonstrates the connection between prior specific written comments on the particular proposed project or activity and the content of the objection.

For the Forest Plan Amendments, at a minimum (as required at 36 CFR 219.54(c)), the objection must include the following: (1) objector's name and address (please include telephone number if available); (2) signature or other verification of authorship upon request (a scanned signature for electronic mail may be filed with the objection); (3) identification of the lead objector and verification of the identity of the lead objector upon request when multiple names are listed on the objection; (4) the name of the specific plan amendment identified in the Eldora Mountain Resort Ski Area Projects EIS, the name and title of the Responsible Official (Glenn P. Casamassa, Forest Supervisor), and the Forest (Arapaho and Roosevelt National Forests and Pawnee National Grassland); (5) a statement of the issues and/or the parts of the plan amendment to which the objection applies; (6) a concise statement explaining the objection and suggesting how the proposed plan amendment may be improved, and/or if the objector should identify how the objector believes that the plan amendment is inconsistent with law, regulation, or policy; and (7) a statement that demonstrates the link between prior substantive formal comments attributed to the objector and the content of the objection.
